

On Thursday, December 3, 2009 the John McGivney Children's Centre Occupational Therapy department was selected as the winner of the recent 'Subway Office Lunch' co-sponsored by am800CKLW.

A great big thank you to Melanie Wylie for submitting the Centre's name into the draw. A platter of delicious subway sandwiches were delivered by none other than Mike Kakuk and Holly Clifford of AM800CKLW.

Special recognition is extended to Subway and, to Mike and Holly who took the time to tour the Centre and discover the uniqueness of our services offered.
