Windsor Police Services  
c/o Cheryl Eastman

December 15, 2009

Dear Cheryl,

We would like to express our heartfelt gratitude for the generosity of Windsor Police Services. The children and staff were overwhelmed with the fantastic assortment of craft supplies, play doh, games and books. As you could see by their little faces they were beaming with the feeling of Christmas spirit and the warmth of the officers and representatives that were here today.

The teachers commented that the play doh that was donated last year lasted us until November of this year and we still have some of the paper as well. This donation is helpful to us to maintain quality supplies and unique toys for our program.

Thank you once again for your support and kindness, the children will talk about Elmer for days!

Sincerely

Pauline Trombley  
Preschool Manager
