

Class 5 News: May 2017

Class 5 continues to enjoy exploring social communication on their devices. We have many times throughout the day when we gather for structured communication lessons. We use songs and modeling to demonstrate the rhythm of conversation. For the students using two or more hits on their devices, we will be exploring the social phrases found under the “fireworks”, the “speech bubble”, and the “?word” icons. As always, all work is differentiated to meet the individual needs and abilities of each child.

Important dates:

May 11: Spring pictures

May 22: Victoria Day
