

CLASS ONE NEWS

APRIL, 2017

Communication Corner

Once again, we have zipped through another month and are now heading into the final three months of this school year. How did that happen?! March was such a fun and busy month in Class 1 and April is looking like a pretty exciting month as well. We begin this month with our class field trip to Colasanti's Tropical Gardens in Kingsville, on April 7th. This is sure to be lots of fun!

In honor of springtime we are going to be learning all about GROWING in April. In science, we are going to focus on the life cycle of plants, including planting seeds for each child to care for. We will also practice math concepts with sorting and counting seeds.

In Numeracy, we will begin to explore measurement. Children will measure objects in the classroom using non-standard measuring tools. We will discuss size as it relates to the story of Goldilocks and the Three Bears.

In Literacy, students will be learning a letter and the sound associated with it every week. Together we will come up with words that start with the letter of the week.

I would also like to take this opportunity to welcome Bilal to Class 1! We are very excited to have a new friend to learn, grow and play with!

WELCOME BILAL!

April Dates & Special Events

April 7th – Field Trip to Colasanti's!

April 14th – Good Friday Holiday. No school.

April 17th – Easter Monday Holiday. No school.

April 22nd – Happy Birthday to our fabulous Educational Assistant, April!
