

CLASS ONE NEWS

FEBRUARY 2017

Communication Corner

What a wonderful month January was for our class! It was a busy, productive month filled with lots of fun learning. We are also very proud of how the boys and girls transitioned smoothly into their daily routines after the winter break.

This month we will continue with our fine motor practices, name and photo recognition, positive social interaction, and our FAVOURITE- singing and dancing! We will be using our colour flash cards every day, as well as working on recognizing numbers 1-10, one-to-one correspondence, sequencing, sorting and positional math! We will also continue looking at Polar Animals, as well as Community Helpers. What a busy month!

We are aware that Valentine's Day is quickly approaching, and wanted to let you know that we will be celebrating Valentines' Day in the classroom by talking about love and making valentines for our families. The children are welcome to bring *nut free* treats and/or Valentine's Day cards for their friends. We have 8 children in our class. Holidays are always a fun time for all!

As always. please do not hesitate to contact us should
