

# CLASS ONE NEWS

JUNE. 2017

## Communication Corner

The year has really flown by so quickly. It has been a pleasure to teach your children and be a part of their lives. We are amazed at the growth they have made academically, socially, and emotionally! The kids are a super bunch, so I found the time spent with these personalities was tremendously rewarding. I would also like to thank all the families for a terrific year and for all the support you have given us throughout the year!

This month we will continue to focus on Eric Carle books. The children are really enjoying his beautiful stories. In Literacy, students will continue to learn a letter and the sound associated with it every week. Together we will come up with words that start with the letter of the week. We will also work on sequencing events by using the story, "The Three Little Pigs." The kids will be building the three little pig houses, as well.

In numeracy, we will continue to focus on one to one correspondence and number recognition to 10, sorting, and building with shapes.

Over the summer, please keep the learning going! Practice letters and sounds, keep a journal, count, go to the library, play with play dough and LEGO... and READ, READ, READ!!!

I wish all of you a safe and happy summer!
