

CLASS ONE NEWS

MARCH 2017

Communication Corner

It's hard to believe that we are half way through the school year! The children have grown and developed wonderfully. We are very proud of their accomplishments thus far.

This month we will continue with our fine motor practices, letter sounds, name and photo recognition, recognizing numbers 1-10, one-to-one correspondence, sequencing, sorting and positional math! We will also continue looking at Community Helpers.

Beginning next week, from March 6th – 10th, our class will be celebrating Dr. Seuss. For those of you not familiar with Dr. Seuss's literature, he is the master of repetitive sounds and engaging, silly stories, filled with wacky plots and zany characters, while using limited vocabulary—an ideal combination for young children. Attached to this newsletter you will find more information about our silly dress-up days and the Dr. Seuss stories we will be reading to go along with those days.

I also have some very exciting news for the month of April! Next month our class will be going on a field trip to Colasantis Tropical Garden in Kingsville! We welcome family volunteers for this outing. In the next week we will be sending home a letter with more detailed information.

Looking forward to all the upcoming fun!!

March Dates & Special Events

March 6th – 10th – Dr. Seuss Week in Class 1!

March 13th – 17th – March Break!

March 20th – BACK TO SCHOOL!

March 21 - Parent Council Meeting at 5:00pm. All are encouraged to attend!

March 24th - ACTIVITY DAY: All families are welcome to join us at 1:15 pm in the gym for our Sock Hop Activity Day.

March 31 – PA Day (No School for students)

Look What We've Done! Amazing Accomplishments

McKayla- can independently sequence numbers 1-5 on a number line!

Zahraa – is doing a great job with helping to feed herself!

Mia– is doing very well on her one-to-one number correspondence skills!

Regan– is doing a fantastic job when using her stander!

Ethan– is doing very well using the Switch it button to work on computer activities!

Noah– is beginning to attempt to communicate verbally!

Sandy– is working very hard at learning letter sounds.

Filip- is verbally producing up to 5 word sentences independently to communicate!
