What's Ahead?

Another great month in Class 1!

Class 1 has had another great month! In October they enjoyed learning all about pumpkins. We discussed the life cycle of a pumpkin, we examined the seeds and pulp of a pumpkin, painted pumpkins, and even carved a pumpkin. I am also very proud to announce that our class won the JMCC School Pumpkin Contest! Way to go, Class 1!

November holds great fun, too! This month we will start a unit about Bears! It's going to be "Beary Exciting!" We will also be celebrating a Family Fun Day on November 25th. This will be a wonderful opportunity for you to spend the morning in your child's class. Together we will be decorating our classroom door for the Winter Holidays! You will also be a part of our morning circle routine. I promise it will be a morning filled with lots of music and holiday fun!

Hope you will be able to join us!
