Dear Parents/Guardians:

We are happy to have Keele and Helina as our co-op students from St. Clair College and Massey High School. We appreciate you assisting us in the classroom.

We continue to focus on specific strategies to keep us all healthy – such as teaching children to cover their mouth and nose with their arm when coughing or sneezing. The focus as a classroom and as a school is always on using core words to communicate with one another.

Great things are happening in Class 2! Some of the themes this month are the lifecycle of a butterfly and Earth Day. As always your child is focused on achieving the goals set out in their IEP and more, and all students are making great strides. A reminder, if you have not already done so, send in your "Save the Date" Parent-Educator meeting sheet and check off one of the times that works best for you. I will be sending home an insert in the communication book confirming a time that you have requested. Lastly, I have scheduled a field trip along with Class 5 and Mrs. Grammatico to Winstars Gymnastics on Apr. 27 at 10:00. Should be a fun outing!

Sincerely,

Mrs. G and Miss D
