Dear Parents/Guardians:

Already, we are into December and time has just flown by. All students in the classroom have made great gains and we see how the children are comfortable and have learned the routines of the classroom. We continue to work as a whole on Communication as the main goal. For all students, this looks different whether it be using the Step-by-Step or through speech, but with the same outcome. Ultimately, the students are involved in following Tribes agreement: Safety First, Participation, Respect, Listening and Appreciations.

By now you should have received your child's progress report and there was a copy for your records and thank you for returning the copy signed. Again, I thank you for filling out the communication books and look forward to getting them back each day.

There are many events going on around the school and the Centre, so be sure to read the lists of events off to the side. Thanks to those parents who attended the Family Fun Day Nov. 25, 2016. It was wonderful and exciting to have parents come together during school and fun for your children to see you here at school with them. It is a great way to network with others and get to know new people and learn new things.

Finally, January we will be having School Transition/Review Team meetings for your children. Around mid-January is when we will be having these meetings, so please be sure to look out for this in the communication books. Miss D and I wish you and your family a relaxing and safe holiday. See you all January 9.

Sincerely,

Mrs. G and Miss D
