Dear Parents/Guardians:

Happy New Year to all! Wow, how the school year has flown by! All students in the class continue to make wonderful strides in their progress. I would like to mention that the school as a whole is focused on Communication as the main goal and within the classroom we continue to focus on oral communication especially using our manners.

It's already that time of year, report cards will be sent home February 13. Please ensure to look over them, sign and return to school as soon as possible. I appreciate your promptness in this matter.

Our class meets with Class 5 every Thursday for Reading Buddies and it gives everyone a chance to interact and read together in a different setting. It is a time the students look forward to weekly and enjoy!

There are events going on around the school, so be sure to read the lists of events off to the side. Thanks to those parents who attended the Holiday Assembly the last day of school. It was wonderful and exciting to have parents come together during school and fun for your children to see you here at school with them. It is a great way to network with others and get to know new people and learn new things.

Finally, this month we will be having School Transition/Review Team meetings for your children. Around mid-January is when we will be having these meetings, so please be sure to look out for any information in the communication books.

Sincerely,

Mrs. G and Miss D
