

December

CLASS 3 News

We have had a very busy fall with many surgeries and vacations! Thank you to the parents who helped decorate our winter door with us. If you were not able to make it, there will be more opportunities in the new year. Even with the holidays upon us, each student is working hard toward their individual goals. We have discussed goals and how to strive for our very best 😊

In Science, we have continued to learn about our body and its many parts. We have explored how bones and muscles help us move. In Social Studies – Our School, Our Community, we have discussed how we get to school and move around our school.

The students have been practicing a Mrs. Wishy Washy play with Miss M and will be debuting it at the Christmas Assembly. They are also practicing their communication skills during the many fun holiday activities!

Reminders

Have a wonderful winter holiday and we will see everyone again in 2017!
