

March

CLASS 3 NEWS

Spring is just around the corner and we can't wait!

In the month of March, we will be learning about how things move - fast, slow, push and pull. This will get us moving in and out of the classroom.

Core words and Minspeak are used throughout all aspects of our school day. We use core vocabulary to answer questions and to ask questions during Morning Message. We encourage you to ask your child questions as well as to get them to ask you questions at home 😊

In Math, the students will be focusing on various forms of patterning (visual, auditory) and counting skills, in Circletime and in completing individual task boxes. The more we count, the better we get!

Reminders

Please remember to send a spare set of clothes for your child to school or in their backpack, in case of accidents. Also, please return any school spare clothes. Thank you

Important dates

March break – Mar. 13- 17 School Fundraiser Pasta Dinner – Mar. 30
