

May

CLASS 3 NEWS FOR MAY

May 1-5 is Education Week at JMCC school. If you are in the centre, be sure to check out our “My Canada” display in the shelves of the front lobby. We have been learning about some of our Canadian symbols and creating our own replicas, such as the beaver, the maple leaf and inukshuks. We are learning where Canada can be found on a globe and that we are part of a great country.

We will be sending home the Mystery Box, for each student to bring something in to show the class. This is a fun activity that will help us practice some good vocabulary/question words, such as **what** , **ask** ,

who .

In May, we will be exploring some ways of Healthy Living, by identifying healthy food and the food groups that they belong to. We will learn about where some of these food come from and how they get to our table. There are lots of hands on games and activities to let us play with our food 😊

Reminders

As we have worked hard all year on our IEP goals, please be sure to review some of these goals with your child. Feel free to practice them at home, as well, because the more we practice the better we get!

Birthdays and Other Important Dates

May 10 Happy Birthday, Benny
May 30 Spring Fever 9:45

May 11 School Picture day
May 22 Victoria Day Holiday– No school
