

October

Class 3 October News

Thanks to all the families for coming to the team IEP meetings. This is a great time to create new goals and stay focused on the students and all their possibilities 😊 We will continue to work as a team, at school and at home.

In Science, we are learning about our body. We will be singing, reading and creating all the parts that make up “me”. In Social Studies, we are exploring our school community. There are many people and places that belong to my school.

Our communication focus this month will be to use our communication device and core language to make personal preferences and to express problems/physical needs. It will be great to practice self awareness and self advocacy skills.

Reminders

As cold and flu season is here, please remember to wipe down the front of the talker screens with a lightly wet rag.

Birthdays and Other Important Dates

Thanksgiving October 10 – no school P.D day October 28 – no school
October 31 -Halloween – dress in orange/black or costume
