

CLASS 4 NEWS

HOT OFF THE PRESS

Welcome to March!

Can you believe March Break is one week away! I hope you have a fun and restful break with your families.

Class 4 has adjusted well to our new centres. The children are loving our water and light tables. Our food sensory table has also been a hit. During this time we are not only having fun and exploring, but we are meeting our communication goals as well.

Class 4 has also enjoyed our first speech group of the month. Vanessa (one of our wonderful speech pathologists) will be running a speech group in our room once a week for about 40 minutes. This will provide extra support for modelling while using our "Talker" and "Step by Step".

This month Mrs. Graziano's class is putting on a Sock Hop assembly. This will be filled with fun activities for our students and parents to enjoy! The theme is 50's attire and wacky tacky socks. Feel free to join us in the fun!

Communication Corner

Incorporating core words into our daily life is easier than you think. Sometimes it happens without us even noticing. Examples: "Stop" and "Go". We should "Go" when the light turns green. We should 'Stop' at the red light. Another example would be: "Like" and "Don't". I "Like" this book, I "Don't" like this book.
