

Class 5 News February 2017

February is a very wonderful month. It is a time to pay special attention to relationships. We have two celebration days this month that remind us to cherish our friends and family. On February 14th, we celebrate our friendships within the classroom. On February 20th, we celebrate our family relationships at home. Our focus this month is friendship. We will be playing interactive games, and exploring a variety of ways to communicate and build relationships with friends. Class 5 has positively beautiful friendships growing, hopefully friendships that will last a lifetime!

Important dates:

Feb 13:

Class 5 works hard daily on individual goals.

Let's celebrate some of our successes!!

Ahmed is making new friends and taking turns with switch activated games.

Emily has made a great transition from 2 to 3 days a week at community school.

Neder is doing a great job stretching and moving around with his new Tumbleform.

Leen is using her communication device to "show what she knows" in math.

Mohammed is doing an awesome job standing longer durations in his stander.

Brigid is following her schedule independently and accepting help when needed.

Soham is using his structured learning schedule happily and independently.

Vanessa is forming new friendships, by holding hands and playing action games with Leen and Emily in the gym.

Aislinn is doing a super job progressing through her Lexia Literacy program.
