

Class 5 News

March 2017

They say that March comes "in like a lion, out like a lamb". We are very hopeful that March offers us some nice weather so we can get outdoors and play! We will be having some fun with the book "Green Eggs and Ham" by Dr. Seuss. Some core words/phrases to practice using this book as a springboard are: "I like ..." and "I do not like...". We will also be exploring games and activities using the words "in", "with", "here" and "there". We will also be working on some colour activities. As always, all work is differentiated to meet the individual needs of each child. Technology is integrated throughout the day.

Teacher assessments are getting underway. Results will be shared with families in April.

Important dates:

March 13-17: March Break

March 17: St. Patrick's Day

March 24: Sock Hop Assembly

March 30: Winstars Field Trip

March 31: PA Day

Class 5 works hard daily on individual goals.

Let's celebrate some of our successes!!

Ahmed is using his walker to walk around and play with his friends in gym.

Emily is doing a great job showing numbers with groups of ones and tens.

Neder is interacting and playing lots of new games with friends during gym and free play.

Leen is using her device to read Vantage modified books, and asks for books to bring home every night.

Mohammed is learning and saying lots of new English words.

Brigid is playing nicely with her friends and using problem solving strategies during play.

Soham is following the rules of several new games during gym and free play time.

Vanessa loves sharing messages with her Step-by-Step during communication circle.

Aislinn is doing a super job remembering to use past tense when sharing news from home.
